## OBJECTIVE

---

Aiming for a role in a reputed organization to enhance my knowledge and eager to collaborate with functional teams to drive innovative technology solutions.

## EDUCATION

---

**B.Tech(Artificial Intelligence and Data Science)** 2025 Grad

Sagi Rama Krishnam Raju Engineering College ,Bhimavaram. ( CGPA:8.64 )

**Intermediate**, Sri gayatri junior college,Hyderabad. 2019 - 2021

## SKILLS

---

**Languages** C++ , Python.

**Analytical skills** Problem solving , Data structures and Algorithms , PowerBI , MS Excel.

**Datascience course works** Statistics, Machine Learning, Deep Learning, NLP.

**Other Course works** HTML , CSS(basic) , Javascript (basic), SQL , Git , SDLC (basic) , AWS cloud.

**Softskills** Team work , Adaptability , Critical thinking.

## INTERNSHIP AND PROJECT

---

**AWS Cloud intern** 5th July 2023- 5th September 2023.

Blackbuck Engineers Pvt Ltd

- During my internship, I worked on IAM, EC2, S3, VPC, Amazon Polly, and Amazon Trans services, developing the project 'AWS Language Translator And Text To Speech.'

## SELF PROJECTS

---

**Banking management system—Python , Sqlite3 :** Created a simple Banking system in which user can create account , deposit money ,check the balance and withdraw money from bank account .

**Map navigator — DSA , HTML , CSS , Javascript:** Developed an application with a user-friendly interface that finds the shortest path between two locations on a map while considering potential hazards.

**Churn Prediction — Deeplearning-ANN—Tensorflow :** Built an artificial neural network using historical data to anticipate which employees are most likely to leave a company.

**House Price Prediction —Machine Learning :** Built a Machine Learning using historical data to predict house price to offer valuable insights for real estate markets .

## COURSES AND CERTIFICATIONS

---

- Data structures and Algorithms from Smart Interviews.
- Problem solving from Hackerrank.

## ACHIEVEMENTS

---

- Selected for Medha Sampurna Siksha Scholarship Program of Medha Charitable Trust, Hyderabad.
- Received special appreciation prize for organizing and participating in Artspace event of Nipuna24 Fest.

## CODING PROFILES

---

- . [leetcode](#)
- . [codechef](#)
